“Somebody should tell us...right at the start of our lives...that we are dying...then...we might live life to the limit...every minute of every day- -do it! I say...whatever you want to do ...do it now! There are only so many tomorrows.”

Michael Landon

Time can drag on or fly by depending on your point of view. Ask yourself...do I want to spend my time this way? How shall I spend this day? Have an awareness of time in order to make the most of your life.
